

# Just This Love

*When I let go of everything,  
all knowledge, beliefs, memory, experience,  
and enter into the Unknown,  
This is what I find.*

There is Just This Love.  
I love This Love.  
I want to  
Live This Love,  
Share This Love,  
Serve This Love,  
Be This Love,  
Sacrifice my life for This Love,  
Die into This Love.

We come from This Love,  
Live In This Love,  
Are This Love,  
Return to this Love,  
Learn stuff along The Way  
And it's All  
ok.
